HEALTH AND SAFETY

No outdoors shoes to be worn on the poolside. No large bags are allowed poolside.

The pool depth is 2m and the blocks are 75cm above the edge. If you are unable to execute a competent racing dive do not use the starting blocks at any time during this swim Meet. A competent racing dive is defined as in the ASA Competitive start award; each swimmer is required to hold one of these. It is the Coach and/or Team Managers responsibility to ensure that this is the case for all swimmers intending to execute a racing dive. No swimmer should topple into the water in the event of a false start - a proper shallow dive must be performed.

FILMING AND PHOTOGRAPHY

Anyone who wishes to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents/carers wish to celebrate the achievements of their own children when taking part in aquatic events, it should be recognised and respected that other parents/carers may not wish for their child's image to be taken and shared in this way.

The use of cameras or mobile phones for taking photographs in the changing area is strictly forbidden. Only coaches and team managers may take photos or film races on poolside and these must comply with Swim England guidance and the focus of the filming should be of their swimmers only. Any swimmer or coach found to be breaking these rules will be asked to leave the building and will take no further part in the competition. The club also reserves the right to take further action against anybody breaking this rule.

The safety of children and young people for this event is of paramount importance. If you have any child safeguarding concerns at the event, please contact the meet coordinator.

SWIM SHOP

A Mailsports Swim Shop will be in operation throughout the Meet.

APPEALS

Any appeals must be submitted in accordance with ASA procedures and will be handled by the Meet Promoter and Referees.
