

How to enter swimming competitions

Please follow these steps, if you are unsure of how to enter your child.

All competition details are on the website & will be emailed to the whole club for notification.

- 1) Select 'entry form' on the chosen competition page, & select your swimmer's name from the drop down menu:

Competition Details by Swimmer

Please select a name from the drop down list and click SUBMIT to see all the competitions you have entered and can still enter.

Select Swimmer Submit

- 2) If your swimmer is eligible to enter, the competition events will appear.

If they do not appear, it might be due to the following:

- a) Your swimmer is not old enough (must be 9 for open competitions)
- b) Your swimmer is not fast enough
- c) Your swimmer does not have any times – although this very rarely prevents an entry form appearing.
