

All performance squads are expected to compete in at least 2 Open meets per term. This is easily achieved during the Autumn & Summer terms, but we realize this is more difficult during the Spring term, owing to County Championships.

However, these meets are not just for performance swimmers. At most meets we attend, anyone can enter. Meet details will always be on the website & will also be emailed to all club members. If you are in doubt about entering, just ask your coach.

Below are some early dates for 2016. These are subject to change, but should provide you with a rough idea.

Jan - Feb	ONB County Championships - only the fastest swimmers qualify.
March (13/14)	Maxwell Spring Meet, Aqua Vale Aylesbury
April (23)	Wycombe Sprint Meet, Handy Cross
May (07/21)	Club Champs, Handy Cross
June (25/26)	Maxwell Summer Meet, Aqua Vale Or City of Milton Keynes, End of Season Open
July (16/17)	Wycombe End of Season LC meet
