This is YOUR Club and your presence would make a difference!

An evening for both parents and children as there will be wine and nibbles for the adults as well as games and climbing for the children.

This year, BIG changes are proposed to the structure of your Club! We need as many members and parents to attend to receive this announcement.

As you know, we are a voluntary run swimming club and after a long, successful stint, our Chair, Claire Donlon resigned last year and the club has been without a Chair for a year and a Vice Chair for 3 years. We have several other vacancies within the committee and would like parents to come forward to join our team.

Each Club Champs runs over two Saturday evenings and there is no morning trainings on these dates (highlighted in red on the Club's Annual Calendar)

There are 5 categories for both girls and boys: U10, U12, U14, U16, Open and is of age as at 31st August 2013. For clarification, please speak to your respective coaches.

ALL our swimmers are encouraged to enter as many events as possible. Your personal best times set at Club Champs would be one of the key to measuring your performance and progress. It enables you and your Coach to set and achieve your targets.
