Dear Swimmers and Parents,

On the following pages you will find a list of each of the new squads forming the new club structure which we published at the end of April 2013.

We have assigned each of our swimmers to the squad which we feel best suits them taking into consideration the factors outlined in the Club Restructure document which include an assessment of performance in training, attitude and regularity of training as well as technical ability and how often each swimmer competes within our club and at open competitions.

These squad assignments are based on our current assessment and do not include the next round of assessments which we will make at the end of this term. These will be published as soon as we get the assessments completed and will include swimmers moving from Teaching to either Club or Performance.

If you have any questions about the squad which your swimmer has been assigned to then please email Andy Ruler at rulerfamily@hotmail.co.uk and we can either clarify our assessment via email or arrange to have a chat about your squad assignment if you prefer.

I hope that we will move forward with this structure which we believe will provide the right environment for all our swimmers needs and allow each to achieve their goals in swimming.

Thank you for your continued support of our club and this process.

Andy Ruler
Head Coach
